WE ARE BUILDING SUCCESS

Uptown Property Group is a Vancouver based company that develops, owns, and manages high quality office buildings in New Westminster and downtown Vancouver.

Our buildings are maintained to first class standards, anchored by high profile retailers, and offer the best location in their markets.

We provide first-class property management services to our clients and strive to exceed their expectations; building engineering, maintenance, and janitorial services are all provided by our staff, on-site, and on-demand.

We know that owning an office building is like running a business: you need to be hands-on and in control in order to be successful.
